DETAILED ACTION

This is in response to amendment filed 01/23/07.

Allowable Subject Matter

Claims 1-10, 13-17, 20-29, 31-37, 38, 41 and 42 are allowed in light of the applicant arguments and in light of the prior art made of record.

The following is an examiner's statement of reasons for allowance: the prior art of record failed to disclose: make obvious, or otherwise suggest a computer implemented system that facilitates data perspective generation, comprising the following computer executable components stored on one or more computer readable media: generating component which provides automatic generation of at least one conditioning variable for a data perspective of the target variable, derived from, at least in part, the user-specified input data and the database, the conditioning variable determined by a heuristic method employed to construct a complete, a single decision tree converted into a set of predictor variables and corresponding values for the predictor variables wherein at least one sub-tree of the single decision tree is searching over to find at least one optimum set of predictor variables and their granularities as recited in claims 1, 26 and 38.

The dependent claims 2-10, 13-17, 20-25, 27-29, 31-37, 41 and 42, being further limiting to the independent claims 1 and 26 definite and fully enable by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
